Dear Elaine and Darryl,

Attached please find MCM's letter regarding the processing of Area Clearance/SECNAVs for the Seaward Filipino Foreign National intended employees not legally authorized to be hired by Seaward or to travel to work for Seaward at NS Guantanamo. This is an important issue as there is a limited amount of Foreign National housing at Naval Station Guantanamo and it should be set aside for individuals legally allowed to travel and work as overseas employees there. Currently MCM is awaiting SECNAV/Area Clearance approval for overseas Filipino employees authorized to work for MCM and travel to Naval Station Guantanamo on other contracts. (b) (4)
